✖ Peter Stone (University of Essex, UK) has published ***EU Private International Law: Harmonization of Laws***, part of the Elgar European Law Series.

This book focuses on harmonization of conflict laws at the European Community level, which has been driven by the introduction of a series of conventions and regulations. It offers critical assessment of these advances across four main areas of concern: civil jurisdiction and judgments; the law applicable to civil obligations; family law; and insolvency.

Specifically, the measures examined and evaluated include:

- the Brussels I Regulation on civil jurisdiction and judgments
- the Regulation on uncontested claims
- the Rome Convention 1980 on contracts
- the Rome II Proposal on torts and restitution
- the Brussels IIA Regulation on matrimonial proceedings and parental responsibility
- the Regulation on insolvency proceedings.
