

Regulation on Maintenance Obligations

The European Parliament released on 26 November 2007 its tabled legislative report, 1st reading or single reading (download the report from the OEIL page and see the status of the procedure). This report is expected to be debated or examined by the Council on 6 December 2007 after which a probable part-session is scheduled by the DG of the Presidency, 1st reading on 12 December 2007. See our earlier posts on the maintenance obligations regulation [here](#), [here](#) and [here](#).
