

# Regulation on Maintenance Obligations

The European Parliament released on 26 November 2007 its tabled legislative report, 1st reading or single reading (download the report from the [OEIL page](#) and see the status of the procedure). This report is expected to be debated or examined by the Council on 6 December 2007 after which a probable part-session is scheduled by the DG of the Presidency, 1st reading on 12 December 2007. See our earlier posts on the maintenance obligations regulation [here](#), [here](#) and [here](#).
