

Fourth Issue of 2008's *Revue Critique de Droit International Privé*

The fourth issue of the *Revue Critique de Droit International Privé* was just released.

It contains two articles. Unfortunately, none of them comes with an abstract in English.

The first is a presentation of the Rome I Regulation by emeritus Professor Paul Lagarde and Aline Tenenbaum, who lectures at the Faculty of Law of Paris XII University.

Belgian Professor [Marc Fallon](#) is the author of the second, which deals with The Posting of Workers in Europe (*Le détachement européen des travailleurs, à la croisée de deux logiques conflictualistes*).

The table of contents can be found [here](#) , but articles of the *Revue Critique* cannot be downloaded.
