

Second Issue of 2011's Belgian PIL E-Journal

The second issue of the Belgian bilingual (French/Dutch) e-journal on private international law *Tijdschrift@ipr.be* / *Revue@dipr.be* was just released. 

The journal essentially reports European and Belgian cases addressing issues of private international law, but it also offers academic articles. This issue includes one article by Patrick Wautelet (Liège University) on International Aspects of the Franchise Contract (*Le contrat de franchise - aspects internationaux*).
