## Call for Proposals – Collective Redress in the Cross-Border Context

Large-scale international legal injuries are becoming increasingly prevalent in today's globalized economy, whether they arise in the context of consumer, commercial, contract, tort or securities law, and countries are struggling to find appropriate means of providing collective redress, particularly in the cross-border context. The Hague Institute for the Internationalisation of Law (HiiL), along with the Netherlands Institute for Advanced Study in the Humanities and Social Sciences (NIAS), will be responding to this new and developing challenge by convening a two-day event on the theme "Collective Redress in the Cross-Border Context: Arbitration, Litigation, Settlement and Beyond." The event includes two different elements – a workshop on 21-22 June 2012 comprised of invited speakers from all over the world as well as a works-in-progress conference on 20-21 June 2012 designed to allow practitioners and scholars who are interested in the area of collective redress to discuss their work and ideas in the company of other experts in the field. Both events are organized by the Henry G. Schermers Fellow for 2012, Professor S.I. Strong of the University of Missouri School of Law.

Persons interested in being considered as presenters for the works-in-progress conference should submit an abstract of no more than 500 words to Professor S.I. Strong at [strongsi@missouri.edu](mailto:strongsi@missouri.edu) on or before 1 May 2012. Decisions regarding accepted proposals will be made in early May, and those whose proposals are accepted for the works-in-progress

conference will need to submit a draft paper by 4 June 2012 for discussion at the conference. All works-in-progress submissions should explore one or more of the various means of resolving collective injuries, including class and collective arbitration, mass arbitration and mass claims processes, class and collective litigation, and large-scale settlement and mediation, preferably in a cross-border context. Junior scholars in particular are encouraged to submit proposals for consideration.

Persons presenting at the works-in-progress conference will have to bear their own costs, since there is no funding available to assist with travel and other expenses. The works-in-progress conference will be held on 20 and 21 June 2012 at NIAS, Meijboomlaan 1, 2242 PR Wassenaar, The Netherlands. Wassenaar is approximately 20 minutes from The Hague by car. The workshop of invited speakers will be held on 21 and 22 June, also at NIAS.

Both the Schermers workshop and the works-in-progress conference are open to the public, although advance registration is required. More information on both events is available at the HiiL website ([www.hiil.org](http://www.hiil.org)) or from Professor Strong at [strongsi@missouri.edu](mailto:strongsi@missouri.edu).
