Backed by the most prominent Spanish scholars on private international law, by lawyers, practitioners from the judiciary and other bodies of the State administration, the purpose of this volumen of the *Anuario* is to provide the Spanish legal community with a theoretical and a practical overview of the legal phenomena, related to cross-border situations linked to our country, that have taken place in 2012 in the fields of commercial arbitration, business law, labor law, social security law, criminal law, procedural law, nationality, immigration, family and inheritance law, foreign investment and exchange control regulations. This outline is aimed to work as point of reference for the doctrinal and practical Spanish developments to be presented to foreign academia.

With this aim the publication is divided into different sections, starting with an ambitious doctrinal one gathering the most important scientific contributions from Spanish and foreign authors, published after a prior comprehensive control by the members of the Editorial Board specialized therein. Also, the volume highlights the most interesting Spanish decisions, legislative reforms and international agreements signed by Spain in 2012, all of them accompanied by a deep and critical comment. News are given about the work of various international forums, such as the Hague Conference. A systematized set of the several hundred decisions delivered by the Spanish courts last year, as well as a comprehensive chronicle of the Spanish literature in the field of private international law (in a broad sense) completes the Yearbook.
