

The New Issue of the TDM Journal: EU, Investment Treaties, and Investment Treaty Arbitration - Current Developments and Challenges

TDM Journal has just published its newest issue, which addresses the often- tenuous co-existence of EU law, international investment law, and the use of investment treaty arbitration for intra-EU investment disputes. In addition to addressing the latest developments in the field, this issue tries to reflect on the remaining challenges and possible solutions for open questions. It also includes a study requested by the European Parliament's Committee on International Trade which is made available on TDM with kind permission.
