

Conference on Jurisdiction & Dispute Resolution in the Internet Era

The conference titled Jurisdiction & Dispute Resolution in the Internet Era: Governance and Good Practices, organised by the University of Geneva, the Faculty of Law, and two other institutions, is scheduled for 17 and 18 June 2015 in Geneva. Each conference day is divided into two sessions:

Session 1: Conflict of laws/private international law in the Internet era: which courts shall decide Internet-related disputes?

Session 2: What alternative resolution systems for Internet-related disputes today and tomorrow?

Session 3: What mechanisms for solving disputes in the ICT industries? The case of the licensing of Standard Essential Patents (SEP) under Fair, Reasonable and Non-Discriminatory (FRAND) terms

Session 4: How shall jurisdictional immunity and inviolability apply in the Internet Era?

More information is available at the conference website.
