

The Proposed Revision of the Posting Directive (paper)

Veerle Van Den Eeckhout has written a working paper version of an article on the Proposed Revision of the Posting Directive. The working paper, in Dutch, is entitled “Toepasselijk arbeidsrecht bij langdurige detachering volgens het voorstel tot wijziging van de Detacheringsrichtlijn. Enkele beschouwingen vanuit Ipr-perspectief bij het voorstel tot wijziging van de Detacheringsrichtlijn” (in English: “The Law Applicable to Long-Term Postings According to the Proposal for a Directive Amending the Posting Directive. Some Reflections from a Private International Law Perspective on the Proposal for a Directive Amending the Posting Directive”).

In this contribution, the author formulates some reflections from the perspective of Private International Law on the proposal for a revision of the Posting Directive, focusing on the issue of the law applicable to long-term postings.
