

5th Petar Sarcevic Conference on Information and Data

The good tradition of the biannual Petar Sarcevic conferences is being continued this year with the 5th conference titled **Information and Data: The Road Ahead**. It will take place in a beautiful Croatian coastal tourist and conference resort Opatija, on 6 and 7 October.

This two-day event will provide ample opportunities for the professionals and scholars to discuss current issues of protection of confidential information, business secrets and personal data in the context of technological advancement and resulting economic and social developments. The conference is divided into three sessions:

- Protection of confidential information v access/disclosure
- Managing data protection: A tall order for controllers and subjects
- Litigation in the midst of economic and technological changes.

The vast range of speakers includes members of the judiciary (EU and national), representatives of the executive branch, leading lawyers and prominent academics.

For additional information about the conference, programme, speakers, venue and special early-bird rates expiring on 10 September please consult the conference webpage.
