

Out Now: The Nature and Enforcement of Choice of Court Agreements – A Comparative Study – By Mukarrum Ahmed

This intriguing book examines the fundamental juridical nature, classification and enforcement of choice of court agreements in international commercial litigation. It integrates the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation, the Hague Convention on Choice of Court Agreements ('Hague Convention') and the English common law jurisdictional regime into a theoretical framework. In this regard, the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of choice of court agreements before the English courts – highly recommendable for all who are interested in choice of court agreements!
