

Business and Human Rights (Empresas y Derechos Humanos)

A new book co-edited by Prof. F.J. Zamora Cabot and M.C. Marullo has just been published in the field of human rights and business by the Italian publisher house Editoriale Scientifica, as part of the collection “La ricerca del diritto nella comunità internazionale”. The diversity of the approaches of the contributions – constitutional law, International Public Law, investment arbitration, Procedural Law, Private International Law-, makes it worth for specialists in the different areas. The index and Foreword can be looked up [here](#).
