

Annual Report 2018 of the Hague Conference

The Hague Conference has posted its [annual report 2018](#), in traditional pdf and even more traditional paper format. Much space is taken up by reminiscences of the [125th anniversary](#), including the publication of several speeches. Beyond that are reports of other events, as well as general information, some more useful (new ratifications and accessions in 2018), some perhaps less so (the number of followers on [twitter](#)).
