

Cuadernos de Derecho Transnacional, Vol. 11, No 2 (2019)

The latest issue of *Cuadernos de Derecho Transnacional*, an open-access online journal focusing on private international law, is out. It can be downloaded [here](#).

The fifty papers included in this issue (written in Spanish, English, French, Portuguese and Italian) address a broad range of topics, including the recognition of registered partnerships, jurisdiction over contractual disputes, the law applicable to donations, surrogate motherhood and the recognition of declaratory arbitral awards.

The next issue is due to be out in March 2020. Submissions will be considered if received before 15 December 2019.
