

DynamInt: Postdoctoral Fellowships at Humboldt-University Berlin

The new Doctoral Training Group DynamInt at the Faculty of Law at Humboldt-University encourages young researchers with a doctoral / PhD degree in law to apply for fully paid research stay for up to 6 months.

Tasks and Research Topic

The PostDoc is supposed to pursue her/his research project in the field of European Law. She/he is also expected to interact with the group of young researchers, who all work on their dissertation projects within the thematic framework of harmonization and plurality tendencies in the EU.

Duration

The research stay should last between 3 and 6 months.

Working condition

The PostDoc receives a salary of full-time position (salary grade 13) and will be provided with a fully equipped working place.

Research-Teaching ratio

There is no teaching assignment to the PostDoc. However, if she/he wishes to teach classes, this is of course possible.

Residence

The Post Doc is expected to spend most or at least 2/3 of her/his time at DynamInt in Berlin or its surroundings.

Requirements

Beside a doctoral/PhD degree, applicants should at least have a solid listening comprehension in German as it serves as the lingua franca of the Training Group.

Deadline

There is no specific deadline. Applications can be submitted at any time.

Submission
