

Lecture Series on the Occassion of the 40th Anniversary of the Austrian PIL Act

On the occasion of the 40th anniversary of the Austrian Private International Law Act, the Interdisciplinary Association of Comparative and Private International Law (IACPIL/IGKK) will be hosting a lecture series in Vienna, starting from 11 December 2019. The lectures will address the future role of the national PIL codifications of EU member states and the application of the Austrian Act during the last decades. Given the comparative focus of the lectures, the organisers are kindly inviting colleagues from all jurisdictions to attend and participate in the discussions. The working languages will be German and English.

A flyer with more information can be found [here](#), the address for registration is office@igkk.org.
