

Reminder: EAPIL 2020 Conference on Private International Law in Aarhus (Denmark)

As noted earlier on this blog, we will celebrate the forthcoming establishment of the European Association of Private International Law (EAPIL) at a conference to be held at Aarhus University, Denmark, from 14 to 16 May 2020.

The conference will bring together academics and practitioners from all over Europe and provide a unique opportunity to talk and think about European Private International Law in a pan-European fashion. Topics to be discussed will include the effects and the challenges of digitalization, the problems of fragmentation as well as other challenges the discipline is currently facing.

Early bird registration is still possible via the conference website. For questions, please get in touch with the local organizer, Morten M. Fogt (mmf@law.au.dk).

Stay tuned for more Information about the European Association of Private International Law (EAPIL) including information about how to join!
