

German Article on the Applicable Law concerning Maintenance Obligations

Rolf Wagner (Berlin) gives an overview on new developments concerning the law applicable regarding maintenance obligations in the German legal journal *FamRZ* 2006, 979 et. seq. He addresses two new measures which deal with this field of law: On the one hand the plans of the Hague Conference to draft a new Convention on Maintenance Obligations which is planned to replace the two Hague Conventions from 1958 and 1973, and on the other hand the Proposal for a Council Regulation on jurisdiction, applicable law, recognition and enforcement of decisions and cooperation in matters relating to maintenance obligations, COM(2005) 649 final. *Wagner* compares the conflict of law rules of both drafts and attends to the relationship between these two instruments.
