Determinants for Dataflow

Georg Philip Krog (Norwegian Research Center for Computers and Law) has posted a short article on SSRN entitled, “Determinants for Dataflow: Norm and Action – Causation in Law, and Causation from Law to Action”. Here's the abstract:

> *The paper explores succinctly two questions in abbreviated form: First, how may law, elucidated by the rules of international adjudicatory authority, be a determinant for cross-border circulation of intangible data and communicational behaviour in global computer networks? Second, why are rules on international adjudicatory authority the starting point for such a determination?*
