

ALI principles published

Members of the American Law Institute (ALI) approved on their annual meeting on May 15, 2007 principles on jurisdiction, recognition of judgments, and applicable law in transnational intellectual property civil disputes (a legal area believed to need reform). The project is the result of several years of intense cooperation, examination and analysis between a broad council, reporters, advisers, liaisons and consultants under the support of ALI. This highly competent group scholarship is made available here. **Highly recommendable!**
