

Bookshop Updated

The secure, Amazon-powered **CONFLICT OF LAWS .NET online bookshop** has been updated and expanded, and now provides details and purchase options for most private international law books (written in English) currently available.

Any revenue from it goes towards the cost of running the website, so you are actively supporting CONFLICT OF LAWS .NET by using this bookshop, **but** note that the amount that *you* pay **does not differ** from the amount you would pay on the Amazon website direct.

Any suggestions for improvement, or any books that you would like to see available (including your own), are very welcome – send me an email.
