New website of the Unité de D.I.P. – Université Libre de Bruxelles

On February 1st, 2007, the new website (in French) of the *Unité de droit international privé* (*Centre de droit privé, Faculté de Droit*) *de l'Université Libre de Bruxelles*, directed by Prof. Nadine Watté, has been launched online.

The site provides a complete coverage of the different sectors of conflict of laws and jurisdictions, with useful references to legal texts, literature and cases. A special attention is obviously dedicated to Belgian PIL and the development of EC action in this field (including short summaries of ECJ case-law on Brussels Convention and Brussels I Regulation). An older version of the site, whose content has not yet been transferred in the new one, can be found here.
