Here's what Clifford Chance LLP have to say about their sponsorship of CONFLICT OF LAWS .NET:

Clifford Chance LLP is pleased to be the main sponsor and law firm partner of CONFLICT OF LAWS .NET.

Clifford Chance has considerable expertise and experience advising on complex conflict of laws issues, and recognises that CONFLICT OF LAWS .NET provides an invaluable resource in this area.

The expansion of the global economy and regulation at a European and international level have increased the importance of private international law, and it is vital that the subject and its role in cross-border transactions should be fully appreciated. This site plays a significant role in keeping lawyers apprised of new developments and offers a forum for exchange of ideas between practising and academic lawyers in countries whose systems of private international law share common objectives, if not common solutions.

Clifford Chance has a number of recognised conflict of laws specialists, including:

- **Andrew Dickinson**, a Consultant to the firm in London, is a member of

the North Committee (the UK Ministry of Justice's advisory committee on private international law issues) and on the editorial board of the *Journal of Private International Law*.

- **Edwin Peel**, Fellow of Keble College and a Consultant to the firm in London, convenes the conflict of laws course for the Bachelor of Civil Law degree at Oxford University.
- **Dr Hendrik Verhagen**, Professor of private international law, comparative law and civil law at Radboud University, Nijmegen, is an Advocate at the firm's Amsterdam office.

For further information on Clifford Chance and its conflict of laws capability, please see **CliffordChance.com** or contact Audley Sheppard, partner in the Arbitration and International Law Groups (email) or Andrew Dickinson (email) or Hendrik Verhagen (email).

For graduate and other recruitment opportunities, please see the careers section of the Clifford Chance website or contact us. See **www.cliffordchance.com** and Clifford Chance LLP's dedicated page on this site for general information about the firm.

Needless to say, this is a very exciting time for CONFLICT OF LAWS .NET, and there is a lot more news to come in the next couple of weeks as a direct result of this new sponsorship. We're very pleased to be working with a world-class law firm *and* a world-class publishing house, and we will be utilising those relationships for the benefit of private international law scholars and students around the world.
