

Article: “Extra-territorial Application of Antitrust - The Case of a Small Economy (Israel)”

Michal Gal (University of Haifa, NYU School of Law) has on the NELLCO Legal Scholarship Repository posted a paper titled “Extra-territorial Application of Antitrust - The Case of a Small Economy (Israel)”, which also analyses legal aspects of private international law. This paper is part of a book on Cooperation, Comity And Competition Policy (Andrew Guzman ed., Oxford University Press, 2009).
