

Fourth Issue of 2008's Revue Critique de Droit International Privé

The fourth issue of the *Revue Critique de Droit International Privé* was just released.

It contains two articles. Unfortunately, none of them comes with an abstract in English.

The first is a presentation of the Rome I Regulation by emeritus Professor Paul Lagarde and Aline Tenenbaum, who lectures at the Faculty of Law of Paris XII University.

Belgian Professor Marc Fallon is the author of the second, which deals with The Posting of Workers in Europe (*Le détachement européen des travailleurs, à la croisée de deux logiques conflictualistes*).

The table of contents can be found [here](#), but articles of the *Revue Critique* cannot be downloaded.
