West Tankers: Online Symposium

The European Court of Justice has delivered its judgment in the *West Tankers* case.

This decision was much awaited. It raises critical issues, in particular in respect of the actual scope of European civil procedure, the consequences of the principle of mutual trust and the tolerance of the European Union with regard common law procedural devices.

In the days to come, *Conflict of Laws* will organize an online symposium on this case. Leading scholars from a variety of European jurisdictions will share with us their first reaction to the judgment. We hope that this will be an occasion for debate, and we invite all interested readers to contribute by using the comment section which will be available after each post, or by contacting us. Contributions to the symposium from those leading scholars will be listed here, so that you can see at a glance all of the debates on *West Tankers*.
