

News and a Query (Recovery of Child Support, Recital 26 - Matrimonial Property Regimes)

Just a word to recall that Council's Decision of 31 March 2011, on the signing, on behalf of the European Union, of the Hague Convention of 23 November 2007 on the International Recovery of Child Support and Other Forms of Family Maintenance, has been published in the OJ of April, 7th.

And, a query: does anybody know what the exact meaning of Recital 26 of the Proposal for a Council Regulation on jurisdiction, applicable law and the recognition and enforcement of decisions in matters of matrimonial property regimes is?

Recital 26: "Since there are States in which two or more systems of law or sets of rules concerning matters governed by this Regulation coexist, there should be a provision governing the extent to which this Regulation applies in the different territorial units of those States"
