

TDM 4 (2013) - Ten years of Transnational Dispute Management

TDM has published its special anniversary issue. According to the Editorial by Mark Kantor, and especially relevant to readers of this site, “the TDM community has not limited itself to investment treaty disputes. Instead, we have promoted discussion of international commercial arbitration, litigation over international issues in national courts, mediation of cross-border disputes, administrative law in national and international tribunals, labor and environmental disputes, the overlap between human rights law and tribunals and investments, the overlap between WTO dispute resolution and investments, administrative law and international matters, treaty making and treaty unmaking, and so many other methods for transnational dispute management.” With articles from leading authorities on timely topics of regional and substantive interest, the anniversary issue is no different.
