

EP Paper on future of European Private International Law

In a workshop of the European Parliament's JURI Committee on *Upcoming issues of EU Law*, that took place on 24th September, papers were presented on five selected topics: the application of EU Law (Wolfgang Heusel), the implementation of EU law (Marta Ballesteros), European private international law (Xandra Kramer), intellectual property law (Lionel Bently and Alfred Radauer) and regulating robotics (Andrea Bertolini and Erica Palmerini). The workshop focused on work that has been accomplished in the past and challenges for the current legislature (2014-2019). The compilation of papers is available [here](#).

For those readers only interested in private international law, the paper entitled *European private international law: the way forward*, is also available [here](#).
