

Luxembourg Code of Private International Law

I am delighted to announce the publication of the second edition of the  Luxembourg code of private international law.

The book gathers all applicable legislation in the field of private international law in Luxembourg: international conventions ratified by the Grand Duchy of Luxembourg, European legislation and Luxembourg domestic provisions.

The full table of contents is available [here](#).

Readers wondering how Luxembourg PIL legislation differs from other EU states legislation should know that the Grand Duchy is one of the few European states which ratified the Cape Town Convention (and indeed the only state in the world which adopted the Luxembourg Protocol) or the 1978 Hague Convention on Celebration and Recognition of the Validity of Marriages.

And as if it weren't enough, buyers will enjoy a free post on this very blog tomorrow!
