

Notice: 35 Years CISG and Beyond in Basel

The University of Basel, SVIR/SSDI (Swiss Association for International Law) and UNCITRAL are hosting a conference with the title

35 Years CISG and Beyond.

The conference will take place on **29 and 30 January 2015** at the **University of Basel**. Its main focus will be on open issues in regard to the CISG's application and on any possible further harmonization and unification of contract law.
