

TDM 1 (2014) - Reform of Investor-State Dispute Settlement: In Search of a Roadmap

Edited by Jean E. Kalicki and Anna Joubin-Bret, this TDM special issue has  close to 70 papers making it the largest TDM Special Issue to date. The interest in this topic, and the breadth of proposals offered by our contributors, demonstrates both the importance of holding this dialogue and the creativity of astute users and observers of the present system. It should be of interest to all international disputes lawyers. This Special Issue is particularly timely in light of the European Union public consultation on investor-state dispute settlement and the Transatlantic Trade and Investment Partnership just begun by EU Trade Commissioner Karel De Gucht.
