

# On PIL, International Labour Law and Corporate Social Responsibility

On the blog section of the Dutch journal *Nederlands Juristenblad*, a blog of [Veerle Van Den Eeckhout](#) on the importance of Private International Law has been published, see [here](#).

The blog is entitled “The impact and potential of a curious and unique discipline. About PIL, Shell Nigeria, European and global competition and social justice.” It is written in Dutch; here is the [English version](#).

The blog refers, inter alia, to the Shell-Nigeria case and to some PIL-aspects of international labour law. It was foreseen that on 14 July 2015 the Hague Court of Appeal would pass judgement in the Shell-Nigeria case, but in the meantime the judgement has been postponed until a later date.

On SSRN, an English version of Van Den Eeckhout’s paper “[The Right Way to Go in International Labour Law – and Beyond](#)” has been made available meanwhile. This paper discusses some PIL-aspects of international labour law.
