Geneva Internet Dispute Resolution Policies

Geneva Internet Dispute Resolution Policies (GIDRP) is a project of the University of Geneva, which looks into selected legal topics relating to internet disputes and puts forward policy proposals. So far, their expert team has developed the GIDRP 1.0 where one of the topics is particularly relevant for this blog readers (Topic 1: Which national courts shall have jurisdiction in internet-related disputes?). The website is inviting online endorsements and comments. Besides, interested experts are welcome to join the project in the development of the GIDRP 2.0. They may be contacted by e-mail: gidpr@unige.ch.

The relating document is available here.
