

RIDOC 2016: Rijeka Doctoral Conference

Rijeka Doctoral Conference is intended for doctoral candidates who wish to present and test their preliminary research findings before academics and practicing lawyers, as well as to discuss these findings with their peers. It is limited to topics of law or closely related

to law, including of course private international law. RIDOC 2016 will be held on 2 December 2016 at the University of Rijeka Faculty of Law.

Details about the conference and call for papers are available [here](#).
