

Slovenia: conference “Corporate Entities at the Market”

It is a tradition of the University of Maribor to organise conferences “**Corporate Entities at the Market**“. This year the conference will include issues related to cross-border debt collection. The conference is supported and partly financed by the European Commission, in the framework of EU Project BIARE. The conference is divided into five sessions:

1st Session: Corporate Law - Current Issues Related to ZGD-1 and Amendments

2nd Session: Commercial Legal Transactions

3rd Session: Cross-border Disputes in Civil and Commercial Matters (International session, English-Slovene interpretation) - 1. part

4th Session: Cross-border Disputes in Civil and Commercial Matters (International session, English-Slovene interpretation) - 2. part

Poster Session: National System of Enforcement from Perspective of Bruxelles Ia (Slovenia, Croatia, Austria, Germany, Italy, Czech Republic, Portugal, Netherlands, France, Lithuania, Estonia, Belgium, Sweden, UK, Greece).

The program is available [here](#). The conference will take place on 19-21 May 2016 in Portoroz, Slovenia. The registration form can be accessed [here](#).
