

The Comprehensive Economic and Trade Agreement between the European Union and Canada (CETA): A TDM Special

Editors Andrea Bjorklund, John Gaffney, Fabien G  linas and Herfried W  ss have prepared a new TDM special, which undertakes a broad-ranging study of CETA as an indicator of the evolution of EU trade and investment policy and of the kinds of tensions and innovations that can be expected to arise as a new generation of twenty-first century trade and investment agreements emerges. The special starts off with an introduction by Professor Pieter Jan Kuijper; The Honourable L. Yves Fortier and Judge Stephen Schwebel.
