

New Website on European Civil Procedure

Prof. Albert Henke (scientific coordinator) has set up a new website on European Civil Procedure. Its goal is to keep academics, professionals, students and all those involved in cross-border litigation in Europe updated about current trends and recent developments in legislation, case law and literature in this area, as well as to create an open educational resource and possibly promote scientific partnerships among Universities, Centres of Research and Institutions active in the field.

The website has been set up within the Jean Monnet Module on European Civil Procedure in a Comparative and Transnational Perspective, a teaching and research project funded by the EU and hosted by Università degli Studi in Milan.

The website is still under construction.
