

Thank you, Martin, for 10 years of conflictoflaws.net!

Dear Martin, dear all,

We would like to take the opportunity and thank you, Martin, very much for setting up and taking care of the blog for more than 10 years! Under your supervision the blog has developed into one of the leading and most influential platforms in the field of conflict of laws and this is a great achievement.

We also thank you and the other editors for entrusting us with the responsibility for this blog, and we will certainly try to continue its success story in close cooperation with all editors and readers. We will keep you posted on how we will proceed in the future and hope for your continued support and input.

Giesela and Matthias
