Cross-Border Debt Recovery in the EU. Workshop on the application of the EU "second generation" regulations in France and Luxembourg

The workshop *Cross-Border Debt Recovery in the EU. Application of the "second generation" regulations in France and Luxembourg,* taking place at the MPI Luxembourg on June 8th, is organised in the framework of the IC2BE research project "Informed Choices in Cross-Border Enforcement" (JUST-AG-2016-02). Funded by the Justice Programme (2014-2020) of the European Commission, this project aims at assessing the working in practice of the "second generation" of EU regulations on procedural law for cross-border cases – the European Enforcement Order, Order for Payment, Small Claims (as amended by Regulation (EU) 2015/2421) and the Account Preservation Order Regulations. The project is carried out by a European consortium comprising the MPI Luxembourg and the universities of Antwerp, Complutense of Madrid, Milan, Rotterdam and Wroclaw, under the coordination of Prof. Jan von Hein, from the University of Freiburg.

Experts and practitioners from different countries, mainly France and Luxembourg, will get together on the 8th of June to address the application in practice of the above-mentioned regulations in both Member States. Presentations will be given by Prof. Cyril Nourissat, Mr. Marc Cagniart, Prof. Agnieszka Frackowiak-Adamska, Mr. Max Mailliet, Dr. Alina Ontanu, Ms. Julie Jasson, Dr. Katharina Raffelsieper, Ms. Katrien Baetens, Ms. Alice Canet, Mr. Grégory Minne and Ms. Clara Mara-Marhuenda. A panel discussion will follow, with the presence of, i.a., Prof. Gilles Cuniberti, Dr. Justus Froehlich, Mr. Patrick Gielen, Prof. Olivier Hance, Mr. Jona van Leeuwen, Dr. Stephan Lesage-Mathieu, Dr. Carl Friedrich Nordmeier, Dr. Herbert Woopen. The program is available here.

The spoken languages will be English and French.

The workshop is conceived as a closed event. However, people having a special interest on the topic are invited to apply for admission upon condition they provide a short explanation for their interest.
