The UM Macao Post-doctoral Fellowship (MPF)

The UM Macao Post-doctoral Fellowship (MPF), established by University of Macau (UM) under the UM Macao Talent Program, aims to attract high-calibre PhD graduates for faculties to sustain and strengthen their research capabilities and build up areas of expertise.

Qualifications:

– PhD graduates from reputable universities in the past 1-2 years (e.g. top 200 universities of recognized world university rankings or Project 985/211 universities in Mainland China).

– Outstanding research achievements with proven publication records, patents, etc. in previous research experience.

Honorarium and Duration:

– Monthly remuneration of MOP40,000 (around 4,000 Euros, taxable).

– Annual conference and research related trips allowance of MOP20,000.

– Maximum contract period of 2 years*.

– On campus accommodation will be available at own expense.

* Working permit must be obtained for non-local resident before commence their duties.

Application Procedures and Deadline

– Fill in the attached application form “MacaoTalentProgram_AppForm_PostDoc” and provide the necessary materials (e.g. copy of PhD certification, identity card/passport, detailed curriculum vitae and letter of reference/recommendation etc.).
