

Introducing PAX Moot 2020:

PAX Moot is a specialized moot court competition focused on **Transnational Law and Private International Law** issues. In this competition, participants will be able to learn and apply first-hand the complexities and nuances of how international Conventions and Regulations interact in the context of globalization. Without pleading on the merits of the case, PAX Moot participants will be given a case geared towards jurisdictional and choice of law disputes. Clear goals will be given to each team as to which preliminary ruling they will be striving to achieve, which will form the primary contention of the moot.

The moot court competition comprises a written round and oral round. The oral round will be scheduled as a 2 full-day event on **27-29 May 2020**. The first day of the competition (general rounds) will be held at the **University of Antwerp**. On the second day, the participating teams will be invited to the **EU Commission in Brussels**, where the semi-finals and final rounds will be held. Registration will open on 13 January 2020, and the case will be published at around the same time. The Registration fee is set at 100 Euros per Team.

The organisers, thanks to the JUDGTRUST project co-funded by the European Commission, are able to offer some financial support covering transportation and accommodation costs relating to the oral round for a number of participating teams.
