

Summer School on Transnational Tort Litigation

Written by Michele Angelo Lupoi, Civil Procedural Law and European Judicial Cooperation, University of Bologna

The Department of Juridical Sciences of the University of Bologna, Ravenna Campus, has organized a Summer School on *Transnational Tort Litigation: Jurisdiction and Remedies*, to be held in Ravenna, on July 15-19, 2019.

The Summer School deals with transnational jurisdiction, private international law and remedies available in tort cross-border litigation, with both a theoretical and a practical approach. The Faculty includes experts from US and EU in order to provide a comparative perspective to the participants.

The US perspective will be centered on procedural remedies for mass-torts (class actions) and on the assumption of jurisdiction in transnational toxic tort litigation (e.g. asbestos and tobacco tort disputes). The EU part of the programme will address the Brussels I-bis Regulation as regards jurisdiction in tort claims, and the Rome II Regulation, in relation to the law applicable to transnational tort disputes.

The Summer School is aimed at law students as well as law graduates and lawyers who want to obtain a specialised knowledge in this area of International Civil Procedure.

Deadline for inscriptions: **28 June 2019**. Programme and further information can be found [here](#)
