

Comparative Method and International Litigation, by Ronald A. Brand

Professor Ron Brand has just published a new article in the Journal of Dispute Resolution that arose from his presentation at the 2019 Annual Meeting of the American Society of Comparative Law. In it, he applies comparative method to international litigation from the perspective of a U.S.-trained lawyer, and particularly one who has been involved for over 25 years in the negotiations that produced both the 2005 Hague Convention on Choice of Court Agreements and the 2019 Hague Convention on the Recognition and Enforcement of Judgments in Civil or Commercial Matters.
