

Just released: Journal of Law & Islam / Zeitschrift für Recht & Islam (ZR&I) 11 (2019)

Volume 11/2019 of the Journal of Law & Islam / Zeitschrift für Recht & Islam (ZR&I) has just been published. The full issue is available online here. It includes case notes and articles devoted to questions of Islamic law and its interaction with other legal systems. Some of the articles are in English or French.

The Journal editors were so kind to provide me with English translations of the German articles:
