

First issue of 2021's Latin American Journal of European Studies

The first issue of the Latin American Journal of European Studies (ISSN 2763-8685) has just been published. It is an open access publication of the Latin American Center of European Studies, created by the BRIDGE Project of Jean Monnet Network with funding from the Erasmus + Program of the European Commission.

The main purpose of the Journal is to publish research related to the *European Union Law and Policies* and *International Relations of the European Union with third countries and Latin America* to create new knowledge, build bridges of dialogue, as well exchange good practices between these regions.

The second issue of the Journal is open to submission until November 1st, 2021 and contains a thematic dossier on *Migration and Citizenship in the EU and Latin America*.
