Online event on 11 and 12 August: Perspectives and Challenges of the New Borderless Law Practice.

The Brazilian Association of Internationalist Lawyers (ABRINTER) will hold on August 11 and 12 its 1st Cycle of Lectures with the theme “Perspectives and Challenges of the New Borderless Law Practice” (in Portuguese).

The event brings 27 lectures on various topics involving law and international private law practice, and celebrates the cooperation protocols signed by the Brazilian association and the Federation of Young Lawyers from Mexico (Mexico) and the Algarve Law Association (Portugal).

Registration is free of charge. To register access the ABRINTER’s website: https://www.abrinter.adv.br/
