

Pax Moot 2022 launched!

The Pax Moot Court competition of 2022 has been launched! This is the Borrás round – in memory of the great Private International Law scholar Alegría Borrás of Barcelona.

The facts of the case, the rules and the schedule are available at www.paxmoot.eu.

Students and coaches will find, like every year, elements of EU law and the global context, procedural technicalities and societal issues.
