

# **Recommendation in The Netherlands to suspend intercountry adoptions**

The *Committee Investigating Intercountry Adoption*, has recommended that The Netherlands suspend intercountry adoptions. The interdisciplinary committee considered the history and legal evolution, and did an in-depth investigation into adoptions from five selected countries (Bangladesh, Brazil, Colombia, Indonesia and Sri Lanka). It looked into the consequences for the people involved (adoptees, birth families and adoptive families), the perception in society, the best interests of the child and the right to know one's origins and identity. It came to the conclusion that there have been too many abuses and that the current system is still open to fraud and abuses. It further stated that the lessons learned should be applied to new methods of family formation such as surrogacy.

For those who do not read Dutch, the Commission issued a press release in English and published an English summary of the report.

The Committee, established by the Minister for Legal Protection, Mr. Sander Dekker, was chaired by Mr. Tjibbe Joustra and further composed of Prof. Dr. Beatrice de Graaf and Mr. Bert-Jan Houtzagers.
